Fiscal Analysis

ASSUMPTIONS:

Department of Commerce:

- SB 244 would add housing projects as a statutory priority to be used to score and rank applications for Treasure State Endowment Program (TSEP) funding. Since all TSEP allocations for the 2003 biennium are already contained in HB 11, the traditional funding vehicle for awarding TSEP monies, there would be no fiscal impact. Should SB 244 be enacted, then housing projects would be included in the scoring and ranking of projects that would be presented to the next Legislature
